

# Hygiene Forum

Presented By:

**Amar Katranji, DDS, MS**

## **EMERGING TRENDS IN PERIODONTAL PATIENT CARE**

*Procedures, Products, and Techniques  
for Providing State-of-the-Art Treatment*

**This interactive presentation will explore some of the emerging trends available for periodontal patients in a modern era. Hygienists play a vital role in the treatment planning process, which is why it is important to be well-informed of the latest progressive care options.**

**Dr. Katranji will discuss several new procedures, products, and techniques in dentistry including All-on-4, oral DNA testing, and lasers in periodontal therapy.**

Academy of General Dentistry approved PACE program provider for FAGD/MAGD credit. Approval does not imply acceptance by state or provincial board of dentistry or AGD endorsement.

**Wednesday, February 1, 2012**

**The Community House**

380 S. Bates Street  
Birmingham, MI
